## A message from Paul Uliana, Predators Director

Another busy season for the Predators has come to a close. Although the season is over, there are many things that have happened and are coming up in the near future.

Thanks to all who attended the Preds year-end banquet at Bingemans. As with the spaghetti dinner earlier in the year, the year-end banquet was bigger and better than last year. All the teams celebrated their seasons and gave out team awards to the players. Some pictures of this year's winners are posted [here](#) – congratulations to all.

We also handed out the first ever Predators Scholarships. The scholarships were in memory of three former Preds players that have passed away – Erik Usjak, Brandon Nickel and Kyle Griffiths. These scholarships were awarded to the successful applicants of the Varsity team that are graduating from the Predator program and going onto post-secondary school education. The winners were Alex Stirling, Tyler Majaury and Zach Martin. Congratulations to all three deserving winners and good luck going forward, you will be missed.

Three of our coaches from this past season will be returning for another year with their respective teams. Adam Ziegler – Varsity, Dave Kirk – Junior Varsity and Anthony Dennis – Bantam. All three will be out in the coming months to start recruiting players for the 2016 season.

Moving forward we are preparing for our Predators information night and the second season of the Predator Pro Camp. Once we have the dates and times secured, more information will follow.

Thanks again to all that made the 2015 season possible and I'm looking forward to having another great year in 2016.
